ACTIVE SHOOTER – RUN, HIDE, FIGHT

RUN
• Getting out of harm’s way is your #1 priority. If you can safely escape, do so.
• Encourage others to leave, but do not let their indecision slow you down.
• Once out of the line of fire, call (301) 405-3333 and be ready to provide your location.

IF YOU CANNOT RUN, THEN HIDE
• Lock or barricade the door(s) and windows. Turn off the lights. Silence your cell phone, tablet, etc. Act quickly and quietly.
• Secure the hiding place as best you can. Keep out of sight. Remain calm and quiet.
• If you can’t find a safe room or closet, hide behind large objects that conceal you from the shooter’s view.

IF YOU CANNOT RUN OR HIDE, THEN FIGHT
• As a last resort, if your life is at risk, whether alone or as a group, FIGHT!
• When you attack, yell, improvise weapons, throw objects — do whatever it takes to stop the shooter. Use all of your strength and energy, and COMMIT!!

EVACUATION
• Pull the nearest fire alarm.
• Evacuate the building using the stairs, closing any doors behind you.
• Call 911 from a campus phone or (301) 405-3333 from your cell.
• Move back away from the building, keeping entrances and sidewalks clear.

Important:
• DO NOT use elevators during a fire alarm.
• If you cannot evacuate, head to the nearest stairwell or other safe area. Immediately call (301) 405-3333 or 911 and report your location.

FIRE
• Pull the nearest fire alarm.
• Evacuate the building using the stairs, closing any doors behind you.
• Call 911 from a campus phone or (301) 405-3333 from your cell.
• Move back away from the building, keeping entrances and sidewalks clear.

SHELTERING-IN-PLACE
• Stay in or move to a small, interior room or other area in a lower part of the building or other area that has few or no windows. Encourage others to follow.
• Bring on-hand emergency supplies, if possible.
• Close and lock doors, windows, and other entrances/openings.
• Listen to radio/TV and wait for official all-clear or further direction.

SUSPICIOUS PACKAGE
• DO NOT move, handle, or touch a suspicious package.
• Evacuate the area and call (301) 405-3333 or 911.
• If the package leaks a substance, quickly turn off fans, close vents, and wash hands thoroughly with soap and water.

• Follow directions of building management.
MAKE A PLAN

BE INFORMED
• Learn about potential local threats and the best course of action to protect yourself.
• Build an individual or family-sized Emergency TerpKit.
• Know how and where to get up-to-date information both before and during an emergency.

If you are disabled (even temporarily), you should plan ahead for emergencies and be aware of your own capabilities and limitations. For planning assistance, contact firemarshal@umd.edu.

Evacuation
• Take your Emergency TerpKit with you.
• Have a car? Keep the tank as full as possible; have current local maps; learn alternate routes; designate an out of town contact/meeting place for family/friends.
• Don’t have a car? Plan how you will leave; contact family/friends/local authorities for transportation.

Severe Weather
• Have your Emergency TerpKit on standby.
• For weather emergency info, visit http://ter.ps/weather, or call {301} 405-7669.

BUILD AN EMERGENCY TERPKIT

You should have at least 3 days of supplies to sustain yourself. Recommended items include:
• 3 gallons of water per person.
• Non-perishable food (cans + opener, ready-to-eat meals, protein bars).
• AM/FM/NOAA Radio & extra batteries.
• Reliable flashlight & extra batteries.
• First Aid kit.
• Loud, pea-less signal whistle.
• Filter mask: N95, bandana, cotton shirt.
• Baby wipes, hand sanitizer, garbage bags, plastic ties (for personal sanitation).
• Mobile phone & charger/external power source.
• Medications & unique personal items.
• Lighter or matches in waterproof container.
• Extra stash of cash & some spare change.
• If evacuating, you’ll need to bring extra clothes/shoes, important documents, and a bag/pack to carry the above items.
• Add comfort items, like books or games.
